

## Year 1 – Double Challenge.

Louise doubles her donuts. The image shows what she had after she doubled her donuts.

Sandy

Louise started with 4 and ended with 8 donuts.

Matilda

Louise started with 8 and ended with 16 donuts.

Nate

Louise started with 2 and ended with 4 donuts.

Who do you agree with? Explain why.

---

Work out:

Double 3 =

Double 4 =

Double 5 =

What do you notice? What's the same?

What's different?

Now try:

Double 2 =

Double 4 =

Double 8 =

What do you notice? What's the same?

What's different?
