Have a go at writing the words shown by the pictures. This is more fun if you print off the words and turn it into a scavenger hunt outside.

Parents – please be aware that the words are included on the same card so you need to fold this bit over so your child can't see it!

Challenge.

Can you put some of the words in a sentence?

Using the power point attached see if you can pop the balloons and sound out all the crazy alien names.
