

Dear Draim,

We are at the Dragon Park now and it is such fun. We went to part of the park that had a drag and drop match. I was the winner!

I got a new dress for the trip too. Mum said that I can't drop my drink down it. I drank with a straw but it kept going drip, drip, drip.

I also had a go on a big dragon drum. It had big, green dragons on it. It was hard to drum for so long.

I must drag myself to bed now. See you soon.
