

Telephone

Sewing machine

Electric light bulb

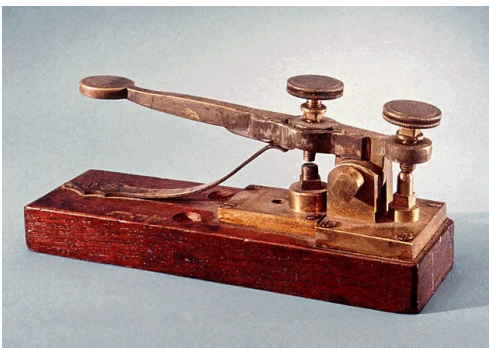

Universal postage

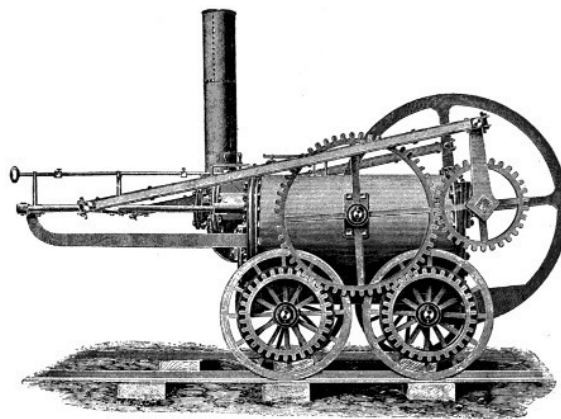

Wireless radio

Camera/photographs

Morse code

Steam engine/steam locomotive

Penny farthing

Match the invention to the inventor and write the year of the invention

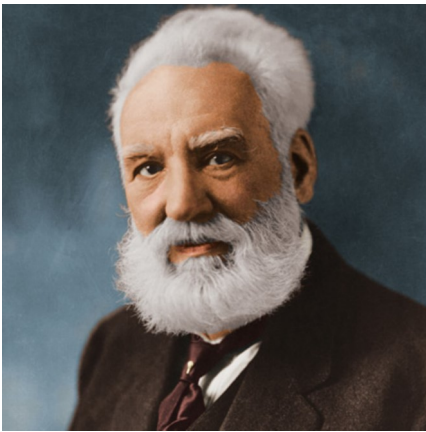

For each picture think...

What could now be done that could not previously be done?

What inventions resulted from these?

What would not have happened without these?

How many people were effected by these inventions?

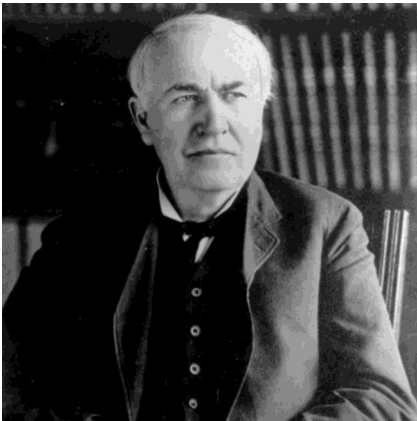

Alexander Graham Bell

Henry Fox Talbot

Richard Trevithick

Thomas Edison

Isaac Singer

Samuel Morse

Rowland Hill

James Starley

Guglielmo Marconi
