Year 1 – Add by Making Ten Fluency – medium.

Add by Making 10

9a. Complete the calculation and ten frame below.

$$4 \ + \ \text{nine} \ = \ \Box$$

**10a.** Use the part-whole model to solve this calculation.

$$\text{eight} \ + \ \bigcirc{7} \ = \ \Box$$

$$\Box \ + \ \bigcirc \ \bigcirc$$

10

Add by Making 10

9b. Complete the calculation and ten frame below.

$$5 \ + \ \text{six} \ = \ \Box$$

**10b.** Use the part-whole model to solve this calculation.

$$\text{six} \ + \ \bigcirc{8} \ = \ \Box$$

$$\Box \ + \ \bigcirc \ \bigcirc$$

10
11a. Tick the calculation that matches the number line.

10

$$0 + 7 \ \Box \qquad 5 + 7 \ \Box$$

**11b.** Tick the calculation that matches the number line.

10
$$4 + 8 \ \Box \qquad 2 + 8 \ \Box$$

**12a.** Complete the number line to show the calculation.

$$3 \ + \ 8 \ = \ \Box$$

10

12b. Complete the number line to show the calculation.

$$7 \ + \ 9 \ = \ \Box$$

10
