

1. Calculate the area of these triangles and place the shape letter in the correct column.

Area below 15cm^2	Area 15cm^2 – 20cm^2	Area over 20cm^2
<i>Shape D</i>	<i>Shape A</i> <i>Shape B</i>	<i>Shape C</i>

1. Calculate the area of these triangles and place the shape letter in the correct column.

Area below 50cm^2	Area 50cm^2 – 200cm^2	Area over 200cm^2
<i>Shape D</i>	<i>Shape A</i>	<i>Shape B</i> <i>Shape C</i>

1. Calculate the area of these triangles and place the shape letter in the correct column.

Area below 100cm^2	Area 100cm^2 – 200cm^2	Area over 200cm^2
<i>Shape A</i>	<i>Shape C</i> <i>Shape D</i>	<i>Shape B</i>
