Activity 1. (Blending for reading)

Complete the **igh** sound sheet attached. You need 2 colour pencils. Sound out each word - colour the real words one colour and the nonsense words a different colour.

Activity 2. (Segmenting for spelling)

Draw a picture of some traffic **lights** and have a go at writing the words - traffic **light** (use your sound buttons to help you).

As an extra challenge can you label the lights the correct colours - **red**, **yellow**, **green**

Parents please encourage your child to have a go at sounding out the words independently and then use their sound mat to locate any sounds they are not sure of.
