

I love all birds.

I love brightly, colourful birds.

I love slightly, playful birds.

I love chitter - chatter birds

and pitter - patter birds.

yes I love all birds. ... singing,
flying and small birds.

But the best birds are ... big,

gliding swooping birds

and high flying looping birds

Fast, gleaming birds

and send me dreaming birds!

I love ice cream.

I love very berry strawberry ice cream and crunchy munchy toffee ice cream.

I love sticky sloppy chocolate ice cream and frutti-tutti flavoured ice cream.

I love cherries and berries and lick-the-spoon-clean ice cream.

Yes, I love all ice cream, whoppings of toppings and sprinkles on ice cream

But the best of all is hubbly bubbly bubble gum ice cream.

Short and tall food

I love sweet, runny, honey food and funny, yummy, tummy food.

I love wheaty food, but i'm no so kean on meaty food!

I love steaming hot and ice cold food.

All colours - even nice gold food.

I like to take, try and taste food, you should never, ever waste food.

I love bread and cake and bake it food,

It tastes better if you make it food.

Yes, I love most food,

sour, sweet and spicy food,

but for me sprouts are the worst food

because they make dad rude!

I Love food

I love all food yummy scrummy food

I love the colourful, pretty Mexican.

I love Indian curry food, I eat it in a hurry
because it looks like slurry food.

I love Thai food it's tasty and tangy on my tounge
food.

I love American food the long-salty-fries and the
belly-busting-burger food.

But the best ever foods are the sweet foods!

The warm chocolatey pancake food, the round
sugary lollipop foods and the brain-freezing-ice
cream foods.

I love food.

Animals

by Eloise Leschallas

I love animals great and small

Like stomping-big-trunked elephants

I like them all.

Furry friends, funky monkey

Super small to fat and chunky.

From a naughty, nibbling, newborn newt

To olden, golden owls that hoot.

I love waggily tailed- rock and roll dogs

and growling-woofing-loud-patrol dogs.

I love grumpy great galloping gorillas

even crazy carnivorous crocodile killers.

I Love trees, by Jack Edwards

I love trees... big and small trees.

I love oaky -smoky trees.

I love ashy-bashy trees.

I love elmy-velmy trees.

I love beautiful blossom trees and the
bursting branches.

I love the really red woods that are tall
growing. Yes, I love trees!

Grow, wave and tall trees.

But the best trees are wide trees and
colourful trees and the so very tall trees!

I love all sea creatures.

I love brit oranje clown fish,

I love diving dolphins,

I love splashey whales,

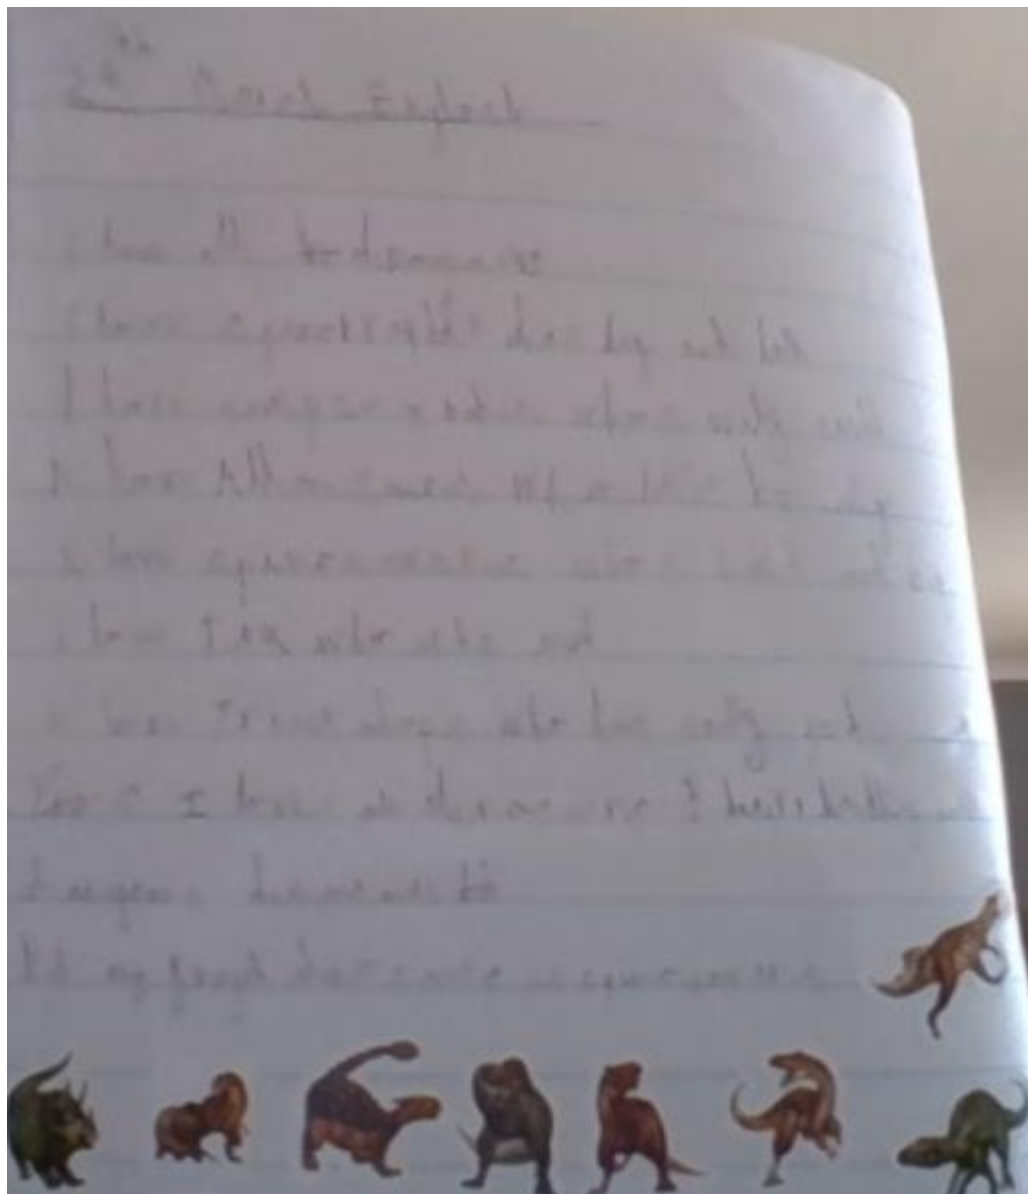

I love pinchy crabs,

I love prety swailig starfish,

Yes, I love all sea creatures!
splish, splash and splosh.

But the best sea creasht of all is the
octopus.

I love all animals. Short and tall animals.
I love fierce, pouncing, scary animals, I love
fluffy, woofing, hairy animals. I love sticky,
smelly, slimy animals and pretty, sparkly,
shiny animals. Yes, I love all animals! Hop
and fly and crawl animals. But the best
animals are... Rhinoceros, sharp horned,
dangerous Rhinoceros.

By Georgia

I love high-up-in-the-trees nests
and top-of-the-buildings nests.

I love learn-to-fly nests
and see-the-world nests.

I love cozy-like-my-bed nests.

I love singing nests and whistling
nests.

I love strong wooden-made nests
and soft feathery-fluffy nests.

But what I love best are chocolate-
Easter nests!

I love all cars, cheap
and expensive cars.
I love sleeky, shiny
cars, creaky grimy
cars!

I love fancy-
schmancy, smoothy-
boujie cars.

I love smart black
cars.

I love a big stack of
cars.

I love lickety-split
cars

Yes, I love all cars,
ones that go 350
miles per hour.

But the best cars are
supersonic speedy
cars and ones-that-
make- me go wow!
cars.

Bessant.

I love horses, big and small horses.

I love clippity, cloppity horses and jumpy, bumpy horses.

I love scruffy, fluffy horses and squishy, squashy horses.

I love fuzzy, sunny horses and tury, funny horses.

I love horses !!
