Today we are looking at **ur** sound family.

There are 3 different ways we have learnt already of making the **ur** sound. Can you remember them all?

**ur** - burn

**ir** - bird

**er** - ladder

There are also 2 less common ways

**ear** - earth

Or – worm

(This only occurs after a w)

Activity 1 (segmenting for spelling).

Purvis and Mickey Thompson have been around the house and found 3 things with the ur sound – each is spelt differently.

Can you write the 3 words with the correct spelling.

Now it's your turn.  
Can you go around your house and find some more

ur  
objects?

Then sort them into piles depending which **ur** sound they use and write a list of what you have found.

Which is the most common spelling?

**Activity 2 (blending for reading).**

Print off the play the **ur** family game.
