I Love Cars

by William Towle

I love all cars, big and small cars.

I love rasing-red, rowdy cars and big bloo and brown boingy cars.

I love crashy, smashy, bashy cars and flipping, dipping and diving cars.

I love noisy cars and terrific travelling cars.

I love sooper-fast shiny cars and Sponge-Bob-Square-Pants cars.

Yes, I love all cars.

Squishy, squelchy, smelly cars and slow, old, rustey cars.

But the best cars are old-fashioned cars, you-can't-even-keep-up-wiv-them cars!
