

Welcome to Reception.

Characteristics of effective learning

✚ Playing and exploring - engagement

✚ Active learning – motivation

✚ Creating and thinking critically

Assessment

- ✚ Our Reception classroom is set-up so the children have access to both the indoor and outdoor areas.
- ✚ The EYFS is a play-based curriculum and there will be lots of opportunity for child-initiated learning. There will also be opportunities for your child to learn through focus group work with a teacher or teaching assistant.
- ✚ Assessment takes place through questioning and talking to the children, written observations, photographs and copies of their work.

Assessment

- ✚ Each child has a learning journey for recording child-initiated, whole class and focus group work. Contributions from home are welcomed to add to their learning journey.
- ✚ We also have a class floor book. This is updated weekly with lots of photographs and comments about what the children have been learning. These are shared with you at parent's evenings.
- ✚ We hold 2 parent's evenings a year and your child will receive a full report at the end of the summer term.
