

# Welcome to Wrens Class

We have a lovely big classroom with our own little playground. This is the carpet where we sit to have the register and listen to stories.

Our book corner is nice and cosy to share stories with your friends. We have lots of books!

This is our role play area. Sometimes it's a spaceship or a post office. This role play is a baby care centre. All the children love to dress up and play here.

This is our maths area. There are always lots of number activities for you to have a go at. We also have some computers for you to use during choosing time.

Every term we have a new topic. Our topic table has books and objects to help you learn about our topic. This topic table is all about plants and mini beasts.

Outside in our playground we have lots of toys for you to play with, as well as our outdoor kitchen and sandpit.

Every week we do outdoor learning or gardening so we need our wellies! We also have waterproofs to keep us dry when it rains.

These are the toilets.  
There is a boys toilet  
and a girls toilet. They  
are right next to the  
classroom so not far to  
go!

Everybody in the class has their own tray to keep their things in with their name on. Trays are really good for keeping our jumpers safe and putting special drawings in so we can take them home at the end of the day.

Everyone also has a peg in the cloakroom with their name on. On our peg we keep our lunch boxes and our coats.

This is Squawk the parrot and Sheila the emu. They help us with our learning. Every morning Squawk helps us with our phonics. Sheila is really good at counting and helps us with our number work. They can't wait to meet you!
