Measuring Sheet.
Choose between 3 and 8 objects to measure.
I am going to measure my items using

| Object | Estimate | Actual <br> measurement |
| :--- | :--- | :--- |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |

Which is the longest item you measured?
Which is the smallest?
