

Wednesday 22 April 2020.

Reception.

Warm up -

Hide some of your phase 3 flashcards around the room. When you find each one say the sound and see if you can think of a word containing that sound.

Parents - a set is attached if you would like to print some off.

Your sound today is **oi**.

Purvis and Mickey Thompson went on a hunt around the house to find something containing the **oi** sound.

Can you see what they found?

They decided to use it to make some space suits.

Activity 1. (Segmenting for spelling)

Mickey Thompson and Purvis would like you design and/or build them a rocket to go with their space suits so they can go exploring.

*Can you write a sentence about your rocket ship using the **oi** words below.*

foil

coil

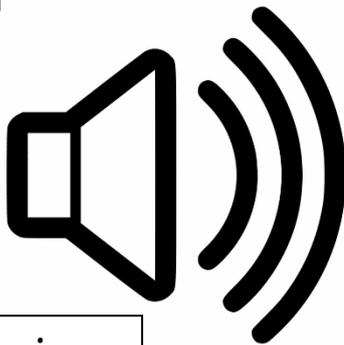

oil
