**Physical Health and Well-Being – By end of primary, pupils should know:**

**Mental well-being**

(H2) that there is a normal range of emotions (e.g. happiness, sadness, anger, fear, surprise, nervousness) and scale of emotions that all humans experience in relation to different experiences and situations

(H3) how to recognise and talk about their emotions, including having a varied vocabulary of words to use when talking about their own and others' feelings

(H4) how to judge whether what they are feeling and how they are behaving is appropriate and proportionate

(H7) isolation and loneliness can affect children and that it is very important for children to discuss their feelings with an adult and seek support

(H8) that bullying (including cyberbullying) has a negative and often lasting impact on mental well-being

(H9) where and how to seek support (including recognising the triggers for seeking support), including whom in school they should speak to if they are worried about their own or someone else's mental well-being or ability to control their emotions (including issues arising online).

**Internet safety and harms**

(H13) how to consider the effect of their online actions on others and know how to recognise and display respectful behaviour online and the importance of keeping personal information private

(H14) why social media, some computer games and online gaming, for example, are age restricted

(H15) that the internet can also be a negative place where online abuse, trolling, bullying and harassment can take place, which can have a negative impact on mental health

(H17) where and how to report concerns and get support with issues online.

**SMSC Links:** Every Jigsaw lesson from Early Years to upper primary offers opportunities for children's **spiritual, moral, social and cultural (SMSC) development**, and this is clearly mapped and balanced across each year group. Likewise, Jigsaw is designed to provide structured opportunities in every lesson to practise **and enhance the five skills associated with the emotional literacy (self-awareness, social skills, empathy, motivation and managing feelings)**. At Jigsaw, we believe that these opportunities are vital for children's development, their understanding of themselves and others and in increasing their capacity to learn.

**British Values:** Jigsaw PSHE 3-11 supports the **British Values** of Democracy, Rule of Law, Individual Liberty, Mutual Respect and Tolerance of those of different faiths and beliefs. It has been mapped lesson by lesson against the British Values agenda.
