# Charging and Remissions Policy

Love, Grow and Flourish Together

September 2025

This policy is based on advice from the Department for Education (DfE) on [charging for school activities \(May 2018\)](#) and [Education Act 1996](#), sections 449-462 of which set out the law on charging for school activities in maintained schools in England.

Abberley Parochial Primary School is committed to ensuring equal opportunities for all pupils, regardless of financial circumstances, and has established the following policy and procedures to ensure that no child is discriminated against by our offering of school trips, activities and educational extras. We will inform parents on low incomes and in receipt of relevant benefits of the support available to them when asking for contributions or charging for certain activities.

In addition, we are committed to adhering to legal requirements regarding charging for school activities, and meeting all statutory guidance provided by the DfE.

## Purposes

1. This Charging and Remissions Policy covers charges relating to educational and non-educational activities.
  - a. School visits, which are planned to support classroom work, offer the pupils firsthand experience of topics being studied. This firsthand experience is an invaluable aid to the learning process. Visits also offer opportunities for the development of confidence, independence, responsibility for self and others, and a sense of adventure, which are not available in the same way in school.
  - b. Extended visits over several days undertaken by the older pupils offer a very special opportunity for social, physical, emotional, and intellectual development outside the usual home/school environment, which would otherwise not be possible.
  - c. Practical activities such as cookery, and work in art/craft and design technology, are important, and offer special opportunities for active learning and the development of cross-curricular skills.
2. The following guidelines set out the financial arrangements, which will apply when the above activities are under consideration.

## Guidelines

### 1. General Principles

The school wishes to provide the best possible educational opportunities available within the funds allocated by the Department for Education (DfE). The law states clearly that education during normal school hours is to be free of any compulsory charge to parents/carers, and the school fully endorses that principle. It is recognised, however, that many educationally valuable activities will be dependent on financial contributions in whole or in part from parents/carers. Without that financial support, the school would find it impossible to maintain the quality and breadth of the educational programme provided for pupils. Where specialists are involved, or activities are organised to

further enhance the curriculum provision, parents may be asked for a voluntary financial contribution.

The school's concern is to keep financial contributions for additional activities reasonable and kept to a minimum to ensure as far as possible that all students can take part, regardless of their circumstances. Any calculated contribution will not exceed the actual cost of providing the activity and will be divided equally by the number of pupils participating. Donations from the Parent Association, Friends of the School, or any outside organisation will be taken into consideration when calculating the cost. There will be no levy, on those who contribute, to support those who can't or won't.

The school will make clear the criteria to allocate places on any activity before requesting any contribution from parents/carers as part of any information sent out to them. Explaining if insufficient funds are available for an activity requiring a voluntary contribution, it may be necessary to cancel the activity, and parents/carers will be informed of this when the contribution is requested, and any monies returned promptly. The school will decide on an appropriate level of income necessary for the activities to take place or insufficient funds to proceed with it in full.

The main exception to this is music tuition covered under The Charges for Music Tuition (England) Regulations 2007, which sets out the conditions for charging for playing a musical instrument, including vocal tuition. The school will clarify this when informing parents/carers. As this is not chargeable if part of any curriculum activity.

## 2. Charges relating to Educational Activities

Payment should be made via the school office using cash or cheques. We are working towards being cashless to minimise potential risks.

Type of Activity	Request from parents/carers
Day trip (curriculum) Visits during school time required for curriculum reasons, or for Religious Education	Voluntary contribution
Day trip (optional, outside of hours) Visits which are not specifically required for curriculum reasons or Religious Education taking place outside school time	Charge for Allowable Costs <sup>i</sup>
Optional Activities (outside of hours) For example – cookery club after school	Charge for Allowable Costs

Classroom Materials (to own) Where the parent has indicated in advance that they would like to own the finished product	Charge for Allowable Costs

Classroom Materials (for practical activities such as cookery, DT etc.)	Voluntary Contribution
---	------------------------

### 3. Letter requesting voluntary contributions

The letter requesting a voluntary contribution will,

- Explain the nature of the proposed activity.
- Explain its value in educational terms.
- Indicate the level of contribution required.
- Emphasise that there is no obligation to contribute, and that no pupil will be omitted from the activity because his/her parents/guardians are unwilling or unable to pay.
- Indicate the activity may not take place if not enough contributions are received.
- The method of voluntary contribution is to be made.

### 4. Remissions

The school is allocated specific funding for each child who is eligible for Pupil Premium Grant. [Pupil Premium - Abberley Parochial V.C. Primary School](#)

This funding can be used to pay for:

#### Lettings

At present we do not let any part of the school buildings.

#### Wraparound Provision

The school provides a wraparound service from 7.50 AM to 6.00 PM. Please read our [Abberley Acorns - Abberley Parochial V.C. Primary School](#) for all information concerning this.

#### Breakage and Fines

A charge will be levied in respect of willful damage, neglect, or loss of school property (including premises, furniture, equipment, books, or materials), the charge to be the cost of replacement or repair, or such lower cost as the Headteacher may decide.

This also applies to third party property where the repair or replacement cost has been recharged to the school. In such cases the full cost will be passed onto the individuals involved.
