

Thursday 30 April 2020.

Reception.

Year 1.

Warm up -

Quick write sounds.

Ask your grownup to read out your Phase 5 sound cards. See how many you can write in a minute. For an extra challenge see if you can write a word with the sound in.

Rainbow colours make it more fun.

Your sound today is **ure**.

This is a tricky sound and not one we use very often.

Mrs Lightfoot had a headache so Mickey Thompson and Purvis

found her a **ure**

Can you fill in the rest of the word

using the **ure**

sound?

Activity 1. (Blending for reading).

Click on the link below to have a go at the **ure** activities on the BBC bitesize website.

<https://www.bbc.co.uk/bitesize/topics/zvq9bdm/articles/zh828xs>

Activity 2. (Segmenting for spelling).

Today in maths we are going to be learning about capacity which will involve getting wet and messy in the water.

One of Purvis and Mickey Thompson's favourite activities!

See if you can make a magic potion (it's much more fun if you add colour and bubbles to the water).

Write a sentence about your magic potion using

some of the **ure** words below

cure

manure

sure

lure

pure

secure
