

Thursday 30 April 2020.

Year 1.

Warm up -

Quick write sounds.

Ask your grownup to read out your Phase 5 sound cards. See how many you can write in a minute. For an extra challenge see if you can write a word with the sound in.

Rainbow colours make it more fun.

We are continuing to look at

igh sound family today and we are going to be focussing on

i-e (bike) split digraph.

Can you see what Mickey Thompson and Purvis are doing in the picture?

Activity 1 (segmenting for spelling).

Where might Mickey Thompson and Purvis be going on their drive?

Can you write some sentences using the pictures below to describe their trip using **i-e** words.

Activity 2 (blending for reading).

Click on the link below and work through the activities. (This will practise all your split digraph sounds – not just **i-e**)
