

Challenge Questions 0-50.

Fluency

- 1 Use ten frames and counters to show how many apples Joe has.

Use a number track to

- (a) count back from 46 to 38
(b) count forwards from 35 to 49

35	36	37	38	39	40	41	42	43	44	45	46	47	48	49
----	----	----	----	----	----	----	----	----	----	----	----	----	----	----

Problem solving.

Sasha is counting from 38 to 24

Will she say the number 19?

Explain how you know.
