Year 1.

Warm up -

Roll a sound.

Choose 6 of your sound flash cards and number them 1-6. Roll a dice and then read the sound the number corresponds to. For an extra challenge try and write a word or a sentence containing that sound.

Our sound family today is the

ear sound family. This is made up of -

ear (y**ear**)

ere (h**ere**)

eer (d**eer**)

We don't use the **ere** spelling very often. The most common word using this spelling is **here** but it also appears in words like

sev**ere**

interf**ere**

Can you see what Purvis and Mickey Thompson found on their trip around the house for the other two spellings?

Activity 1 (blending for reading).

Let's see what Mr Thorne has to say about the *ear* sound. Click on the link below.

Can you think of any that Mr Thorne didn't include?
