

Year 1 Activities using numbers 0-50.

Fluency

- 1 Use the number track to compare the two numbers using words and inequality symbols.

21 is _____ than 26.

21 26

30 is _____ than 35.

30 35

26 is _____ than 21.

26 21

35 is _____ than 30.

35 30

- 2 Use the 1-50 grid to compare using $<$, $>$ or $=$

12 23

38 19

40 $39 + 1$

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50

- 3 Use a number track or 1-50 grid to complete:

15 50

38 49

28 9

2 tens $<$

33 33

$>$ 46

Problem solving.

Order the three numbers from smallest to biggest:

$<$ $<$

Use the four numbers to complete the statement.

11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40

$$\square > \square > \square > \square$$

Find at least 5 different numbers that could complete the statement.
