WHOLE SCHOOL NEWS

Olympic Festival

Thank you to all that attended our Olympic festival and Sports Day. It was a huge success and was so nice to see so many people in to support our topics this term.

At our festival, the children and visitors all had the opportunity to learn about being healthy and also about a range of Paralympic sports.

Sports Day was also a huge success with the final results showing that Oak were the overall winners. A huge well done to all the participants, who each showed great passion and respect for each other in the events.

Reports

This afternoon your child will be bringing home their annual school report for the academic year 2015 -2016. We have also enclosed information which you may find useful about their new class.

Everyone spent an enjoyable morning yesterday in their new classes and the majority of year 6 children spent the day at The Chantry High School.

Summer Fayre

We are delighted to announce that the summer fayre made a Grand total profit £939.41

Many thanks to everyone who contributed for all their hard work.

Production Times

Please could all Key Stage 2 children be at the school hall for 4:45pm on Thursday and Friday so that they have enough time to change into their costumes and to set up for our production.

KEY STAGE 1 MESSAGES

Lobsters

The children really enjoyed sports day on Friday and it was lovely to see them all getting fully involved with big smiles on their faces. We had lots of fun trying the Paralympic sports in the morning and realised how skilled and fit Paralympic athletes are. This week we are learning more about the modern Olympics and have been designing our own Olympic logos and mottos.

The Lobsters had a great time on transition morning yesterday and all came back very excited about becoming "Super Seals" in September.

Seahorses

The children had a fantastic time at the Music Festival last week and all enjoyed joining in with the songs and actions. Please check the website for photos.

The children enjoyed their transition morning yesterday and are all looking forward to becoming Lobsters Class next year. Year 1 children have their last spellings assessment on Monday and Reception children will be given a list of words to learn over the holidays ready to prepare them for Year 1. These are words that will be in their spellings next year so please make sure your child is able to read them confidently. Thank you.

KEY STAGE 2 MESSAGES

Turtles & Dolphins

We are incredibly proud of the effort and creativity shown by the children on the Reef this week. The Olympic breakfast was a massive success with plenty of empty plates from satisfied customers. The children have used the experience and feedback information to make decisions for their company back in classroom. In other news, all of the children have enjoyed visiting their new classes on Tuesday. The Year 3's showed wonderful maturity when welcoming the Lobsters on to the Reef and designing superheroes. While the Year 4's settled in brilliantly with the Sharks, completing scavenger hunt tasks and puzzles together. Well done!

Sharks

A huge well done must be given to all of the children of the Sharks class because they did an exceptional job at the school's Olympic festival last Friday. Every single child had a hand in organising and setting up our activities and without their mature and hard-working attitude, it would not have been possible. A huge well done to the Jaguars topic group for actually winning the term's competition which meant they had the final say in all of the festival decisions.

Please note that Year 5's have a jigsaw puzzle to finish and this is to be handed in by this Friday.

REMINDERS

Car Parking

We have had complaints about cars parking on the side of road by the school at dropping off and picking up times as it obscures the view of the road.

Lunch Menus

The new lunch menu for September went out in book bags on Monday. Could all orders please be back in school by this Friday 15th July. N.B. KS2 (YR 3,4,5 and 6) do not receive Universal Free School Meals.

Cool Milk

Children receive free milk up until their 5th birthday after that if they wish to continue having milk you will need to order it through 'Cool Milk' A leaflet from 'Cool Milk' was given out on Monday.

KS2 Production Tickets

Tickets for our fantastic Key Stage 2 summer school production, 'The Amazing Adventures of Superstan', are selling out fast, but is still available in the school office.

Lost Property

There are a lot of un-named clothes in our lost property basket. Any clothing left unclaimed at the end of term will be sent to the Acorns Children's Hospice.

Uniform Orders

All new uniform orders will be available for collection from the school office on September 1st and 2nd
