Inspiring Hearts & Minds

NEWSLETTER 14th June 2017

WHOLE SCHOOL NEWS

Summer Fete Friday 23rd June.

In a week's time it will be our summer fete and we hope all of you will be able to come.

Raffle tickets are a major way of raising funds for the school so please sell as many as you can this week.

Tomorrow, Friday is non-uniform in exchange for adult tombola prizes. Toys, games and books for the white elephant stall can be sent in from Monday. Cakes and plants can be sent in on Friday 23rd June.

Many thanks.

Key Stage 1 football tournament

Congratulations to the Key Stage 1 football team who attended the Cluster tournament at The Chantry on Monday. For many children it was the first time they had taken part in an interschool tournament.

They put up a fantastic team performance with some solid defending and came 4th out of 6 teams. Well done to Pru who was our leading goal scorer and Max who was spotted as our Star player.

Year 5 and 6 rounders tournament

Just a reminder that the Year 5-6 rounders tournament is on Monday 19th June 2017, 4-6pm at The Chantry. Please return the slips if you haven't already done so.

Bell Boating

Yr 6 are having an exciting time bell-boating with children from Cluster schools on the River Severn. Hopefully there will be some great pictures on the website next week.

KEY STAGE 1 MESSAGES

Lobsters

We have been finishing our class book "The Perfect Present" this week. The children were amazed to find the last chapter of the book missing. They have come up with some very inventive endings to save Spot and reunite him with Henry.

We will be starting our last science topic of the year next week, looking at plants. Please can you ensure your child has a hat, sun cream and water bottle in school as we will be making the most of our wonderful grounds and doing some gardening?

Seahorses

We have been learning about ladybirds this week and have been reading the Eric Carle book 'The Bad-Tempered Ladybird'. This has inspired us to go on our own mini-beast adventures and the children have imagined that they were the size of a mini-beast and have acted out and re-told some adventure stories outside.

We have a Technology Survey going home in bookbags for this week's **learning challenge**. We would be very grateful if you could fill the sheet in and send it back to school as this will help towards your child's Early Learning Goal for the area of Technology. Thank you.

KEY STAGE 2 MESSAGES

Seals

This week, the super seals have been gathering ideas to create a French café to show off their learning from this term. They have come up with some fantastic ideas so far and I cannot wait to see the finished product in a few weeks' time!

Rehearsals for our KS2 production are also well under way, with the Seals getting excited about their acting roles and helping Mrs Russell with the scenery.

Sharks

This week Year 5 have been busy finalising their Manifesto's in order to present to the Year 6's. I have been very impressed with their commitment to the task and the thorough research they have undertaken. This topic has prompted several mature debates around those responsible for decision-making of our country. Watch out Year 5's may well be trying out their persuasive language with you at home!

REMINDERS

Book People

There is a new selection of books and gifts on sale from The Book People.

Class Photos

Monday 19th June

Volunteers needed!

*The Friends are putting together a working party of parents on Thursday after school to erect the tents for the school fete. We need some more volunteers and we would be delighted if you could help!
Many thanks*

UPCOMING EVENTS

School Production

Performances will be on 13th and 14th July in the village hall
Tickets will go on sale from Monday 3rd July

Move Up Day Wednesday 5th July

Children will be spending some time in their new classes on 5th July and we invite parents to meet our new teacher after school.
